**Subject:** EPA MS4 Permit Boilerplates - for your review  
**Attachments:** 2018 Stormwater MS4 Permit Boilerplate.docx; 2018 Stormwater MS4 SOB Boilerplate.docx

All – Attached is our boilerplate permit and SOB for our federal facility MS4s. They need a little clean-up, but you will get feel for our requirements. Once you have had a chance to review these, let's schedule a time discuss your "top 10" as we proceed with the 401 certification process. By the way, the VA Hospital 401 cert request is going out tomorrow, but as we discussed reviewing the boilerplates may be more beneficial than a single permit.

Thank you!
